

## YOUR TRUSTED HEALTHCARE PARTNER

Population Health Management - Patient Engagement - Practice Solutions

Chronic Care Management

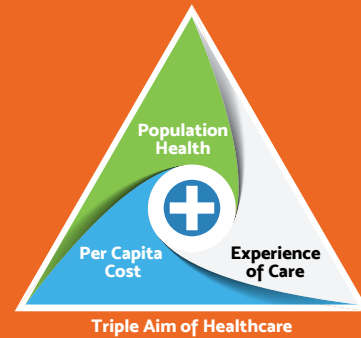

Annual Wellness Visit

Behavioral Health Integration

## BRIDGING THE GAP TOWARDS TRIPLE AIM

Developing healthcare delivery and payment models to achieve the Triple Aim is challenging. Centro Healthcare offers specialized and tailored support solutions for ACOs, Physicians, and Payers to:

Improve patient outcomes and the patient experience

Drive cost savings and increased revenue

Help attain key MIPS & APM Quality Measures

Optimize practice workflows and efficiency

## ABOUT CENTRO HEALTHCARE

Centro Healthcare offers a diverse portfolio of healthcare services driven by analytics, state-of-the-art technology, and clinically certified resources. Centro Healthcare's mission is to improve operational workflows and increase revenues for providers, health plans, and Accountable Care Organizations (ACOs), while driving better patient outcomes and experiences.

# CENTRO KEEPWELL™

Centro Keepwell™ is a bundled solution for providers that is comprised of technology, clinical personnel and workflow processes designed to improve the patient experience and health of populations while reducing providers' costs and enhancing their ROI.

#CentroKeepWell

## CENTRO KEEPWELL™ = BETTER HEALTH, BETTER CARE, LOWER COSTS

### Technology

Our technology platform simultaneously manages all CCM, AWV and BHI programs to improve access and appropriate utilization of EHRs

### Care Coordinators

Our certified personnel supplement your current staff in managing the wellness of your patient population to eliminate the need for hiring additional resources

### Workflow Management

We optimize your workflows to drive greater efficiencies, throughput and enhance patient outcomes

## WHY CENTRO HEALTHCARE

- › A guaranteed ROI of at least 50%
- › Consistently meet all compliance requirements
- › Provide the best patient outcomes at the most efficient cost
